

The Federal Communications Commission

Dear The Federal Communications Commission,

STOP TAXING THE LITTLE PEOPLE AND STOP GIVING YOURSELF  
PAY-RAISES WITH OUR TAX-DOLLARS. THAT'S THE REASON WE CAN'T  
BALANCE THE BUDGET NOW.  
ALL WE ARE WORKING FOR IS TO PAY TAXES AND NOT LOSE WHAT LITTLE  
BIT WE HAVE WORKED FOR!!! <AND THE GOVERNMENT WONDERS WHY SO  
MANY AMERICANS ARE UNINSURED>

I do not want to pay more for my telephone service! I urge you  
to reject a flat fee proposal that would change how  
contributions are made to the Universal Service Fund. I am  
concerned that this proposal could make my current service  
unaffordable.

Under the flat fee proposal you are considering, people who make  
few long distance calls would pay the same as people or  
businesses that make many calls. In other words, low-volume and  
primarily residential customers would bear the same universal  
service fund burden as a high-volume residential or business  
customers. This is unfair!

I use my wireless phone for safety, security and convenience. I  
don't want to lose these benefits so that big businesses can pay  
less than their fair share. I urge you to reject the proposal to  
move the USF collection system to a flat-fee.

Keep the USF Fair!

Sincerely,

WILMA COLE
